OUR SECURITY PERSONNEL SPECIALITIES

- ⇒ Each Customer will be welcomed and will be attended individually
- ⇒ All of our deployed Staff will be energetic, physically fit and pleasing.
- ⇒ We offer Umbrella Service for all the Customers, depending upon the climate.
- ⇒ For parking assistance, our guards will be equipped with light baton, whistle and reflective vests.
- ⇒ At no given point of time the premises will be left unmanned for any reason. We have more than 50+ uniformed guards always on standby.
- ⇒ If any of our staff's performance is found unsatisfactory by client, upon intimation, the replacement of that staff will be done within 3-6 hours depending on the location.
- ⇒ Routine night patrolling will be done by our officials to ensure all of our Staffs are vigilant and alert, and the log book maintained in the workplace will be endorsed accordingly by the inspecting officials.

Recruitment Procedures

Security personnel at BMGSS are recruited after careful screening, training, testing and obtaining their police clearance certificate. At the time of recruitment, the staff will be well trained in security systems, handling of security equipment, fire-fighting and traffic control procedures.
